

## ***TIME TO COME OUT SWINGING!***

On behalf of the Utah Tennis Association, TRAILS and the Rehabilitation Center at the University Health Care-

I want to extend an invitation to attend the upcoming FREE Wheelchair Tennis Clinic to be held in Lehi on April 25, from 2 to 5 PM at the Ivory Ridge Swim and Tennis Club. The camp will be conducted by certified wheelchair instructors and USPTA Teaching Professionals and will provide on court instruction for all ages, skill levels and individuals in a wheelchair who are trying tennis for the first time.

We would appreciate your help in getting the word out about the tennis clinic and distributing the attached flyer to individuals and groups who might be interested and would like to participate. While the camp is FREE we do ask that participants please register so we have a count of how many will be attending so we can sure we have adequate equipment, loaner racquets and adaptive tennis sport chairs available for use by participants.

If you have any questions on the clinic or would like additional information on other Wheelchair Tennis playing opportunities, please don't hesitate to contact me.

Thank you for your help,
